Dear Mr [sic] Warner:

In going over the docuements [sic] that we received from The Dollar Steamship Uo we find that they did not acknowledge the receipt [sic] of the Consulare- Invoice and the Certificate of Antiquity which we are postive [sic] we sent to them and which we mention in our letter of instructinos at the time we sent the docuements [sic] forward. The mistake is entirely theirs but we are fortunate enough to have discovered so have had copies made which I enclose. I hope that you have not been caused any inconvenience.

The money which you were kind enough to sen d [sic] has been received by the International Banking Co Kobe and I have sent over to have a draft forwarded to me. Thanks very much its most useful these dull times.

I have been picking up some nice people that have drifted outfrom [sic] the palace after the burial of the last Emperor. I was bale to buy the chair that he rode around in- in the palace. When will you come out to see us again

Yours sincerely,
