

April 24-1928

I had forgotten to mention that Mr. Albert has had box no. 16 traced and I have seen the receipt. He send 16 boxes in all, so if you received only 15, one must be moving and we thought it would have been no. 16. As this is not the case, he requested the post-office to trace all 16 boxes.

I see from the C[] paper, which I am enclosing herewith that Mr. Albert has made the technical mistake of calling the Ke-Ssu Chien Lung instead of Sung. It makes no difference to the []. Curious, and I merely call your attention to it as it is a clerical error on Mr. A's part. The Ke ssu is Sung.
